What's Our Process?

It can all be a little daunting can't it, so we thought we'd shed some light for you.

If you like what you see from looking at our brochure and you've given us a good stalk on social media. Let's chat about what you'll be needing flower and styling wise. We can have a chat over social media, zoom or phone call, which ever you'd prefer.

Next we'll need to know arrangements you'll be needing so any Bouquets, Buttonholes etc and what you'll be needing for your venue, how many guest tables are you having?

Also any images or Pinterest board you've saved as inspiration is awesome, so always send these across. They're super helpful so we can see what style and vibe you're going with.

Next up we'll get that quote popped together for you, emailed back to you and you can take it from there. have a google at the flowers we've carefully picked for your flower recipe.

If you like it, let's get you booked in! It's a £150.00 non-refundable deposit to secure your date. This only secures your date this doesn't stop you from altering your quote.

We then get back in touch with you around the 1/2 month mark before your wedding date. We will have a catch up by finalising what you'll be requiring flowers and styling wise. And organising delivery times etc.

And that's it!
